I See Myself as God Sees me
HEALTHY, HAPPY, WHOLE, AND FREE!
I Go FORWARD WITH CONFIDENCE AND
STRENGTH, FOR MY TRUST IS IN GOD
Work hard at what you want. you will be able
to go much further by not letting so called
friends about yourself. You don't have to
explain yourself to anyone. PEOPLE will
see you as you ARE or How they
want to see you. THE MARK of
GREATNESS is to be SUPERIOR!
but FEELING SUPERIOR (LAWYER) you're
WHAT GOD going to be. Be the
BEST YOU CAN! My
Heart is with you

Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay.

"schism in the soul, schism in the body social, will not be resolved by any scheme of return to the good old days...Only birth can conquer death--the birth, not of the old thing again, but of something new. Within the soul, within the body social, there must be--if we are to experience long survival--a continuous 'recurrence of birth' to nullify the unremitting recurrences of death. For it is by means of our own victories, if we are not regenerated, that the work of Nemesis is wrought: doom breaks from the shell of our very virtue. Peace then is a snare; war is a snare; change is a snare; permanence a snare. When our day is come for the victory of death, death closes in; there is nothing we can do except be crucified--and resurrected; dismembered totally, and then reborn.

Joseph Campbell

And The Beat Goes On...

I will lift up mine eyes unto the hills, from whence cometh my help.
2) My help cometh from the Lord, which made heaven and earth.
3) He will not suffer thy foot to be moved: he that keepeth thee will not slumber.
4) Behold, he that keepeth Israel shall neither slumber nor sleep.
5) The Lord is thy keeper: the lord is thy shade upon thy right hand.
6) The sun shall not smite thee by day, nor the moon by night.
7) The Lord shall preserve thee from all evil: he shall preserve thy soul.
8) The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore.

Thank God you made it, And God Bless You!

Love Always,
(Grandmother)

Finally.
12 years completed, and now are
through.
Now something has been accomplished.
At times there are answers, and at
others, not a clue.
Those times I only wished.

So when I'm worried with wandering
all day,
To thee my delight in the evening I
come,
No matter what beauties I saw in my
way.
They were all, but my visits, those
Art thou, my home.

"I asked, 'Where is the black man's government? Where is his King and his kingdom? Where is his President, his country and his Ambassador, his army, his navy, his men of big affairs? I could not find them; and then I declared, I will help to make them.'"

"I showed my masterpiece to the grown-ups and asked them whether my drawing frightened them. But they answered: 'Frightened? Why should anyone be frightened by a hat?'

"My drawing was not a picture of a hat. It was a picture of a boa constrictor digesting an elephant."

So that's what they told me
Twenty years ago
As I walked away from the platform
Back to my seat down the row
They told me how this four
Year receipt, rolled up in my hand
Would get me to a dream...
a promisedland.

ATHLETICS

This year, undermanned and hampered by injuries, our soccer team finished 0-9. Our basketball team, after a slow start, finished strong at 12-9. This included victories in the play-off quarterfinals and the consolation game for our second straight third place finish in the Independent School Athletic League.
